

## **CLUB INFORMATION**

### **New Members**

Members are invited to introduce new members to the Club. Application forms can be obtained from the clubhouse or the Treasurer. Prospective members may be invited to play with Committee Members (or nominated players) before their membership is ratified.

Prospective members are entitled to use the facilities on a maximum of three occasions; on each occasion they should sign the visitors' book (kept in the Clubhouse). Thereafter a completed application form and payment must be sent to the Treasurer.

### **Guests and Visitors**

Senior and Junior members are entitled to bring a guest to the Club. The member should put the guests name in the Visitors Book and sign accordingly. A member may bring a maximum of three guests (at any one session) and no guest may be introduced more than three times. Please note after three visits local residents must join and become members if they wish to use the Club's facilities. A member may also introduce visiting friends on 3 occasions; thereafter such visitors may take out a Weekly Visitor Membership to continue to use the Club's facilities. Guests should sign the "Visitors" book along with the member. Abuse of this rule could lead to the member facing suspension from the Club.

Visitors are players using the Club usually without an introduction from a member. Visitors should pay Visitors Fees of £6 per court or £3 per individual per day and should sign the Visitors Book. Visitors who may play more than 3 times during their holiday may take out a Weekly Visitor Membership of £10 per adult and £5 for under 18's, this category is limited to 4 weeks, thereafter visitors must join as an overseas member.
